LOOK AT US

Look at you; look at me.
Walkin' ten feet tall are we,
Smilin' silly smiles all day.
How'd we ever get that way?

Look at them look at us,
Wonderin' why we make this fuss,
Starin' like we're not all there,
Like loony birds are everywhere.

Can't they tell it? Can't they see?
What's so special 'bout you and me?
Poor old world can't recognize
That's love light shinin' in our eyes.

Well, look at us and look again,
And maybe you'll remember when
You walked this tall and knew it too,
And the whole world turned to look at you.

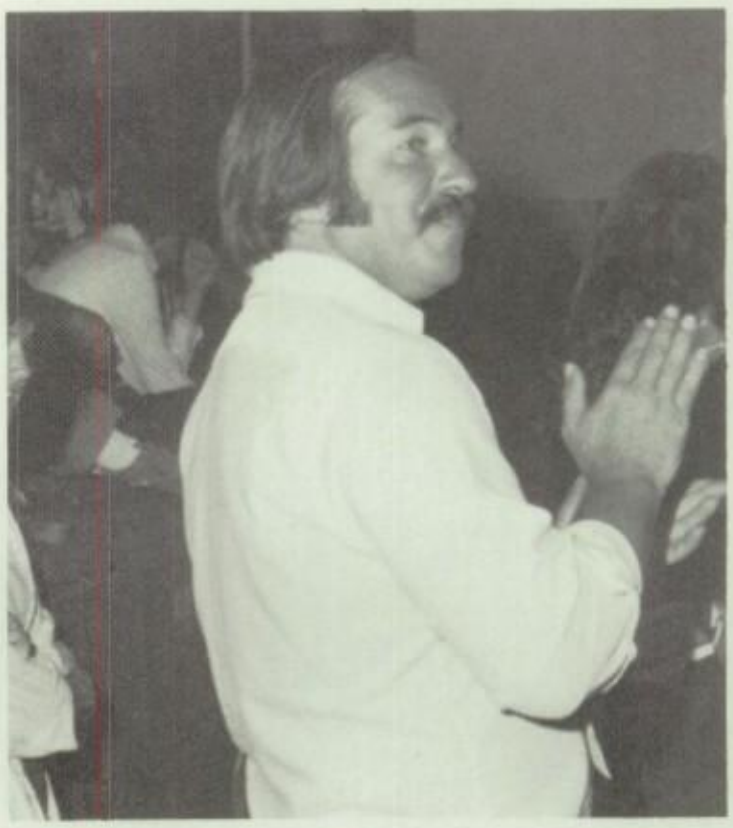
Mr. Jim Swisher



This Is Our Wish For You:

May God Bless you and keep you always
May your wishes
I come true
May you always do for others
And let others do for you
May you build a ladder to the stars
And climb on every rung
And may you stay—forever young

May your hands always be busy
May your feet always be swift
May you have a strong foundation
When the winds are changing shift
May your heart always be joyful
May your sorrow always be sung
And may you stay-forever young

"REACH-OUT"

Shower the people you love with love, show them the way that you feel, things are gonna be much better if you only will. Better to shower the people you love with love with love, show them the way that you feel. Things are gonna be just fine if you only will. You'll feel better right away — Don't take much to do — sell your pride. They say in every life, they say the rain must fall, just like pouring rain — Make it rain. Love is sunshine — oh yes, everybody — shower the people you love with love.

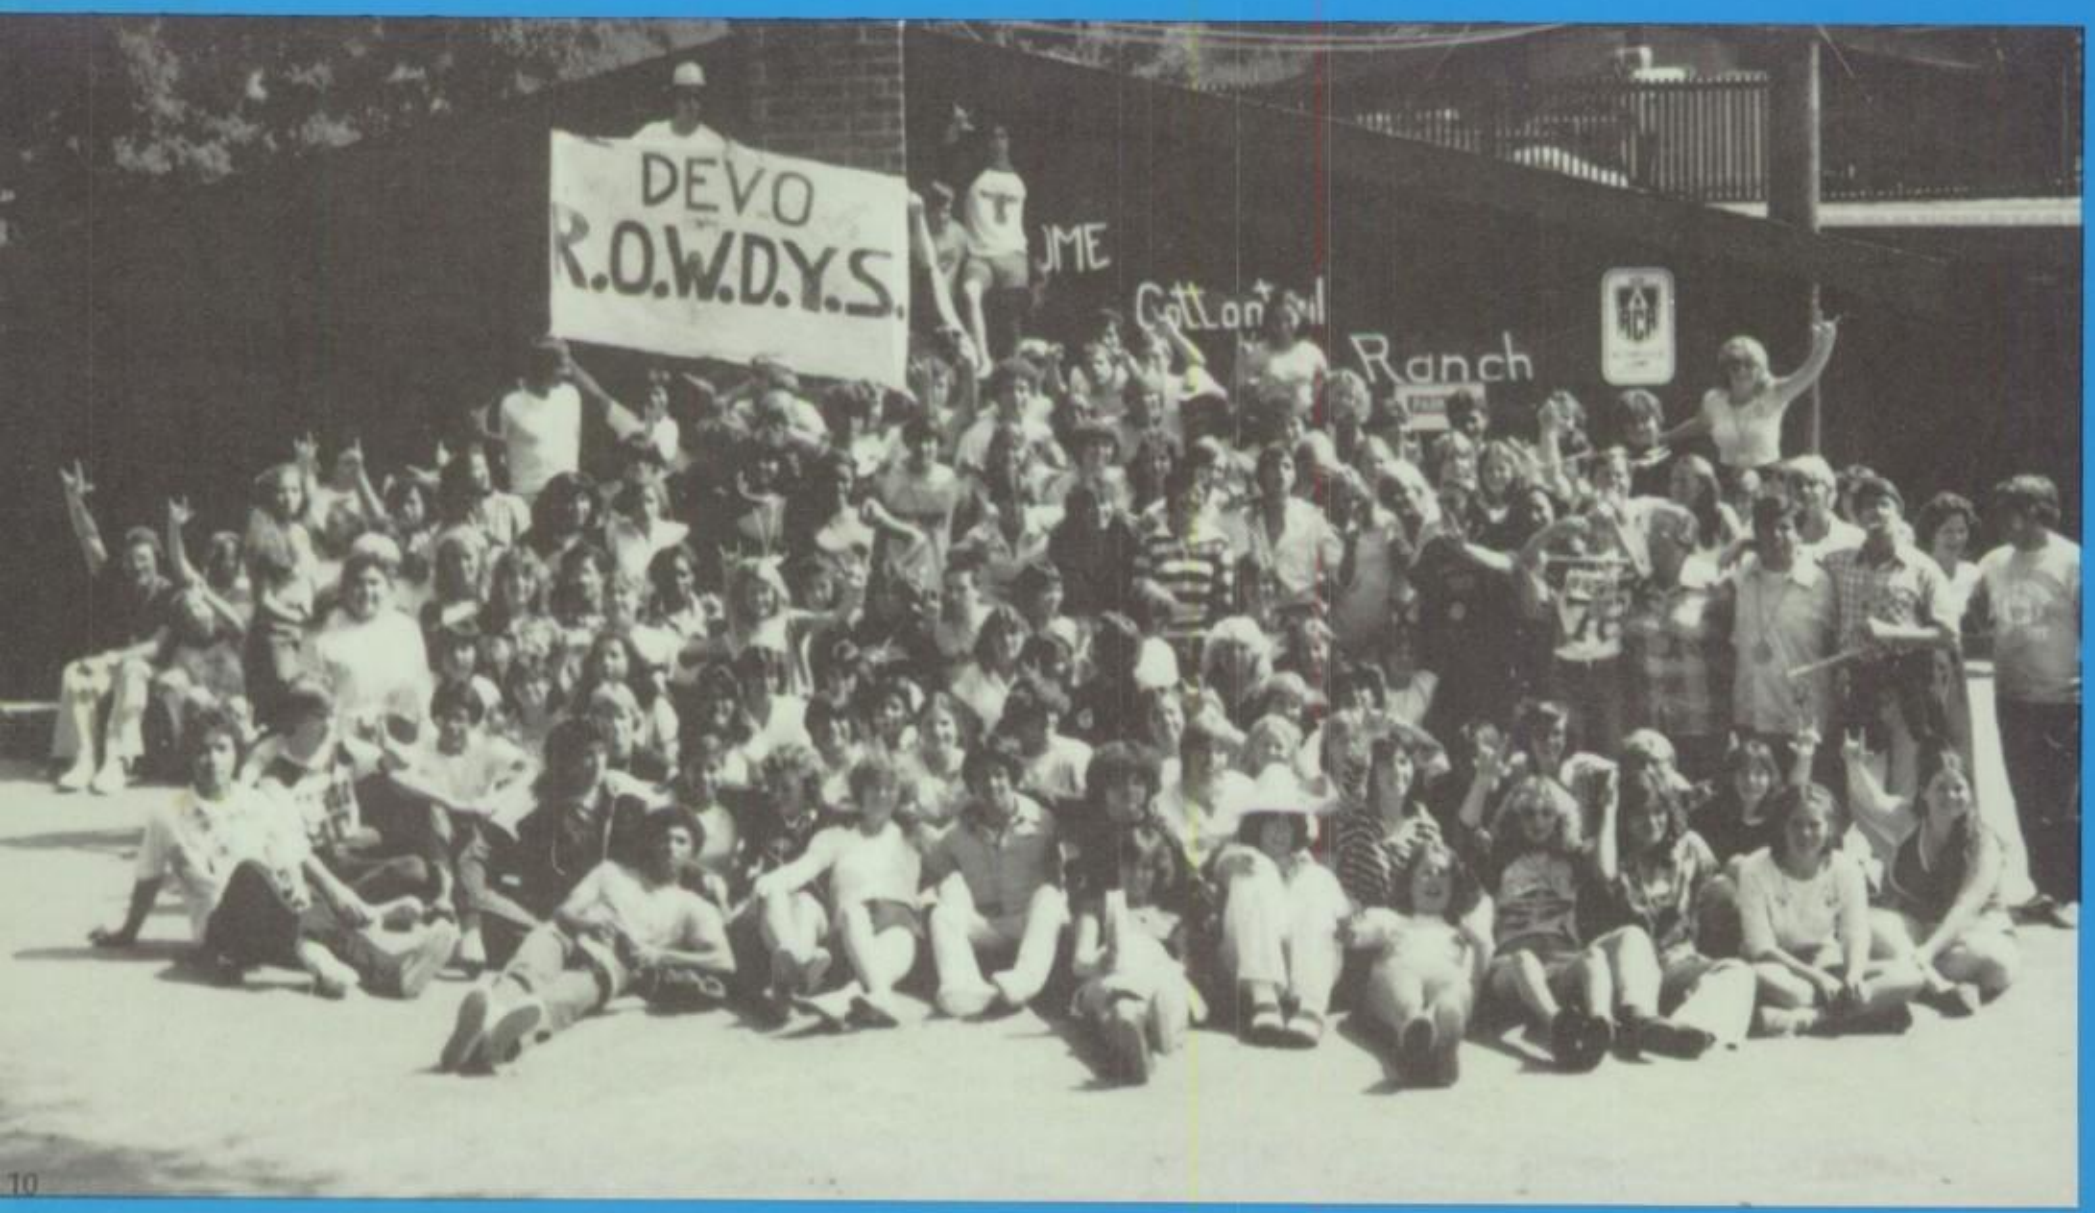
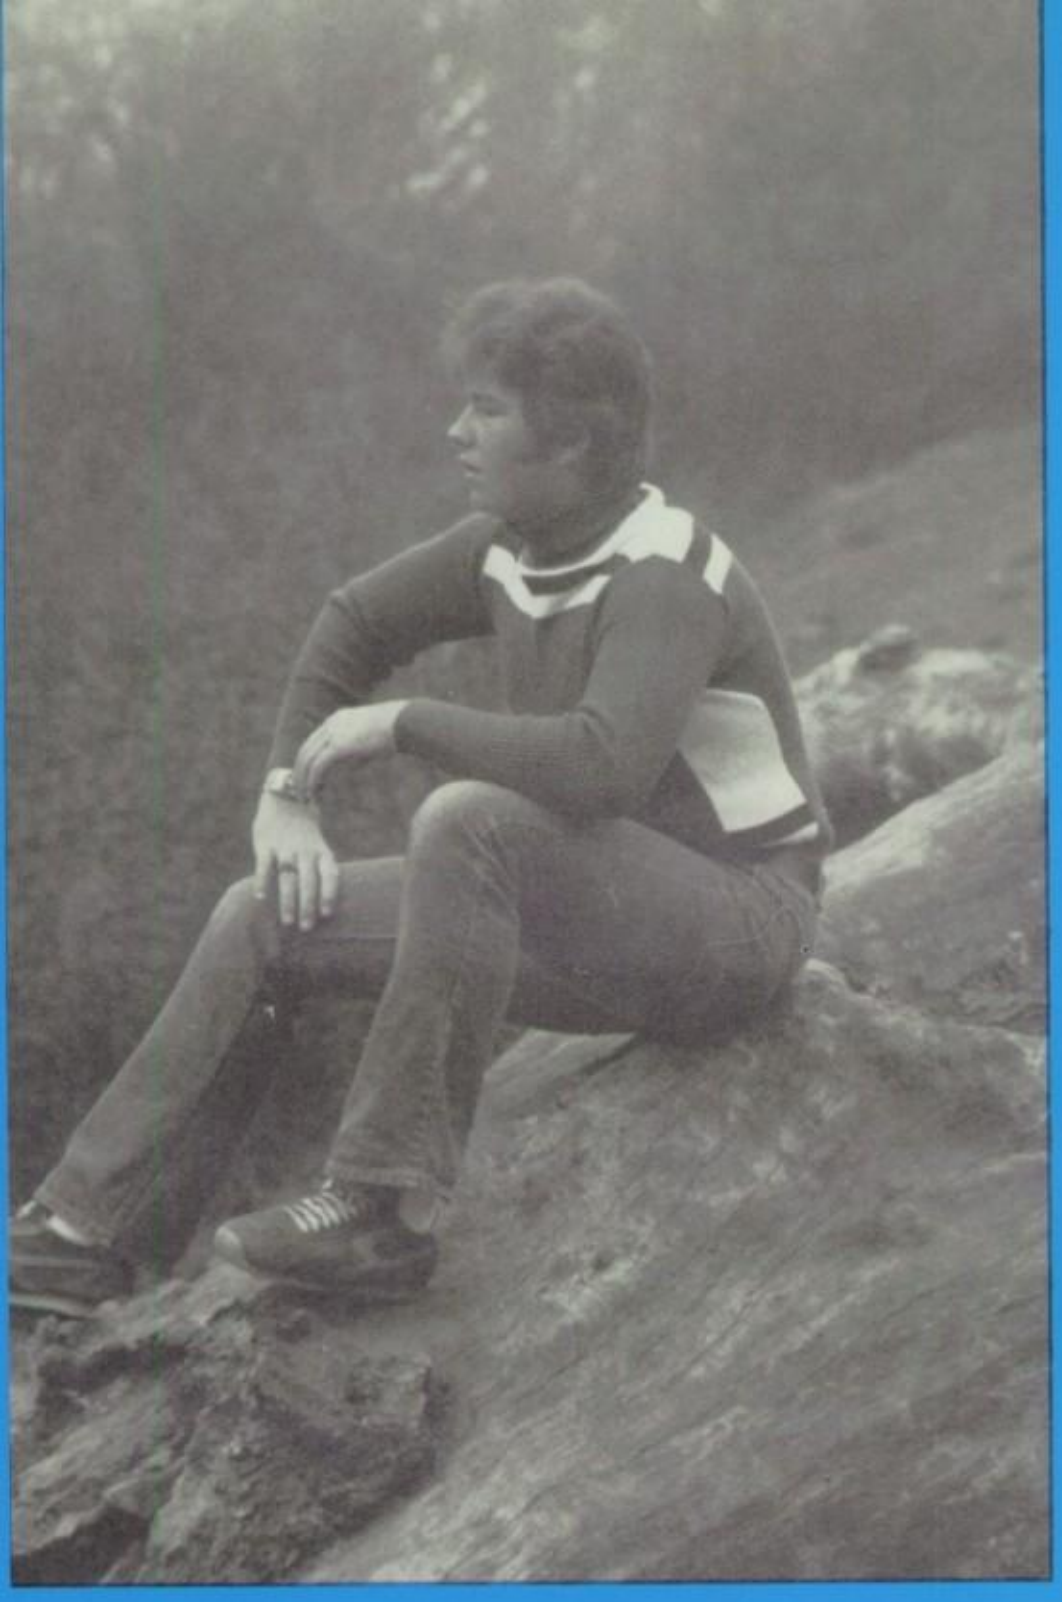
"1980"





Reach Out —

It was more of a feeling than a fact. Three days of feeling exultation, of living the most wonderful life you have ever experienced — and knowing you will never experience anything like it again. It was feeling the joy of being unmasked, of being able to be yourself — carefree, happy, uninhibited. The feeling of love penetrated each and every one, until, finally, we became a part of each other — one body. The 'I' became 'We', and We became the Class of '81'.

-Dorsey

FRESHMAN RECEPTION

The Senior Sponsored Freshman Reception was held on September 24, 1980 at 7:30 p.m. The activities of this traditional evening included the presentation of the newly elected Freshman Class Officers and a Student Council donation of 150 dollars.

A slide show of slave day then followed. It was accompanied by music from Devo and the B-52's which added to the festive mood of the occasion. This eventful evening concluded with the sound of happy people munching on the refreshments being served.

One day headlines scream "America Held Hostage", and 444 days later the banners read, "52 Americans Released From Captivity". American pride was brought to its highest pinnacle in years when the former hostages returned, and when the United States Hockey team won the gold medal at the Olympics, not only defeating Finland for the medal, but defeating *Russia* the previous day. Thus, the day was brightened for 220 million people. Ring out the old, ring in the new occured when Jimmy Carter was defeated in a landslide by Ronald Reagan. Thus, a new era began. Mount Saint Helens finally blew its top!!!!!! "Fame", "All That Jazz", and "Raging Bull", were the money makers on the silver screen, while "Dallas", Miss. Piggy, and "General Hospital" made fantasy reality on the tube. In music, Springsteen produces the year's hit album, while The Pretenders, Jackson Browne, and Elvis Costello continued to rock America. Punk Rock was in, Disco was dead. On the sport courts, McEnroe and Borg played a five set, four hour thriller at Wimbledon. In football, Hugh Green was the hot tot of college defense, Plunkett and the silver and black Raiders won the Super Bowl. In basketball, it was as if by "magic" that the Lakers became N.B.A. champs, while the U.C.L.A. Bruins came back from the ruins to bring alive the dynasty. The Phillies of pro baseball defeated 390 hitter George Brett and the Royals for the World Series. In clothes, designer jeans; Vans; and Birkenstocks were the rage. With eighty years of continued excellence in education, religion, and athletics, Santa Clara High School reached its 80th birthday (1901-1981). America, and S.C., we salute you- you've made it through the turbulent 70's still intact, and still number ONE.

In spite of the 28-0 loss to Agoura, the 1980 Homecoming was a success. The class floats and Homecoming Court paraded through the crowd of S.C. fans creating a feeling of pride throughout the student body. The theme for the floats this year was "Old Movie Classics." Taking 1st place was the junior float using the theme of "King Kong". In second place was the freshman class with "The Hunchback of Notre Dame". The Seniors even though they put their hearts and souls into their float, placed 3rd using the theme of "Ben Hur". The Sophomores came in 4th place.

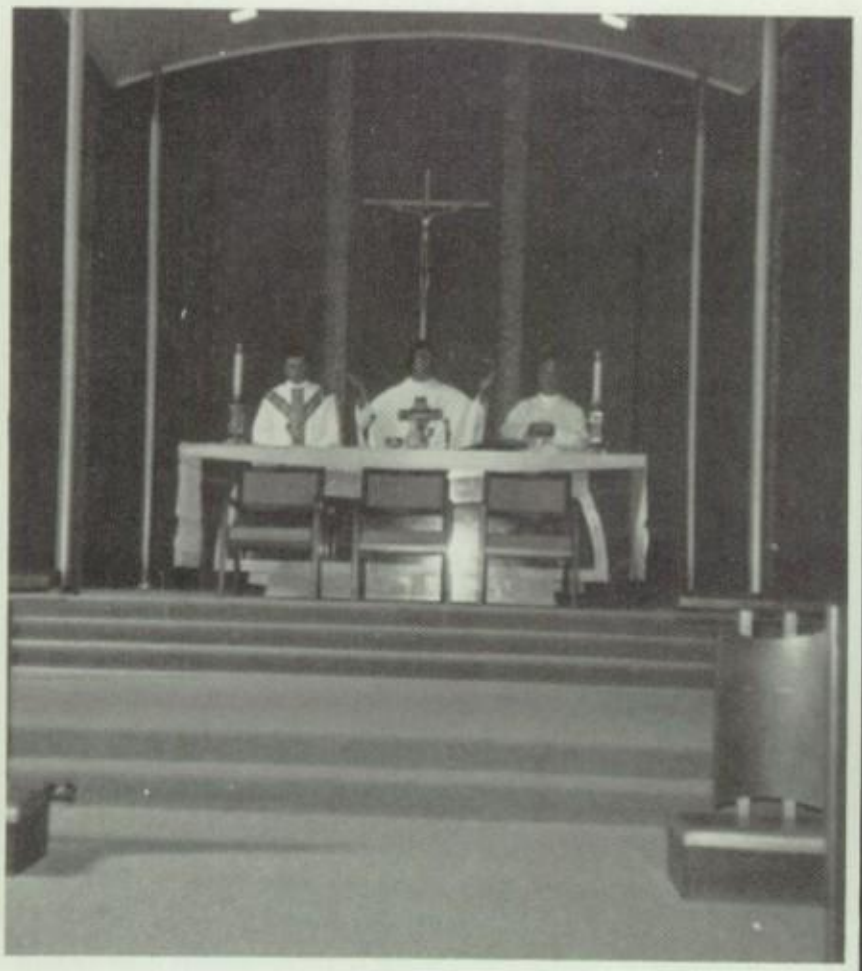
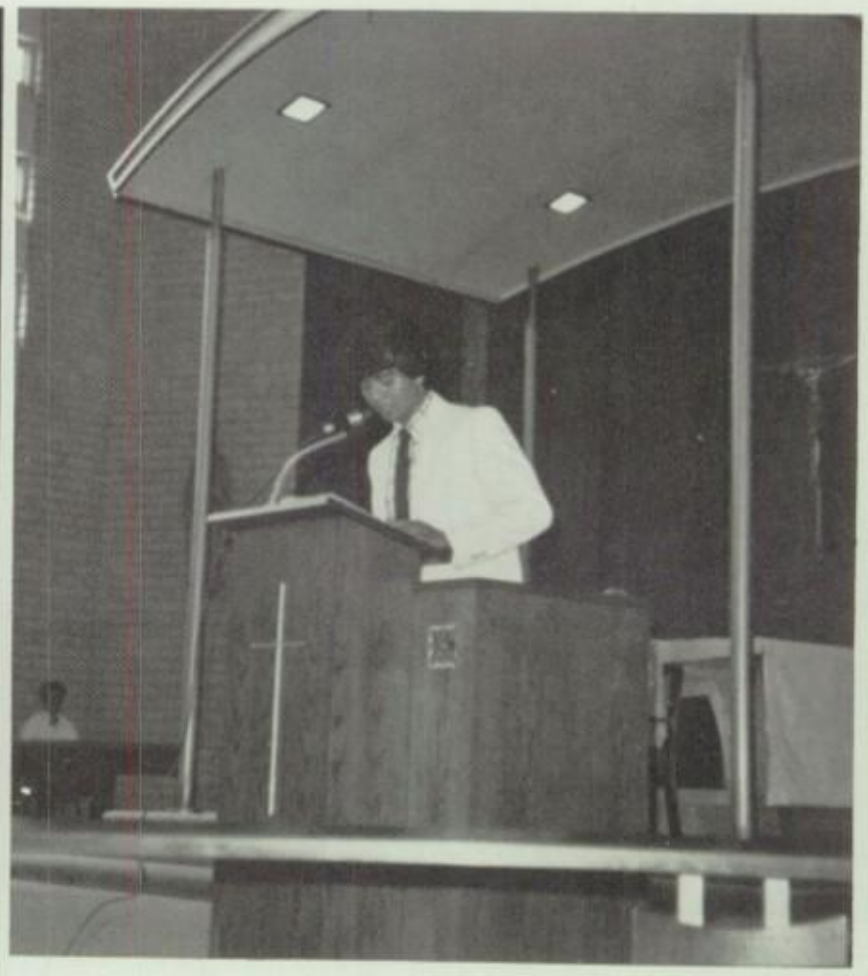
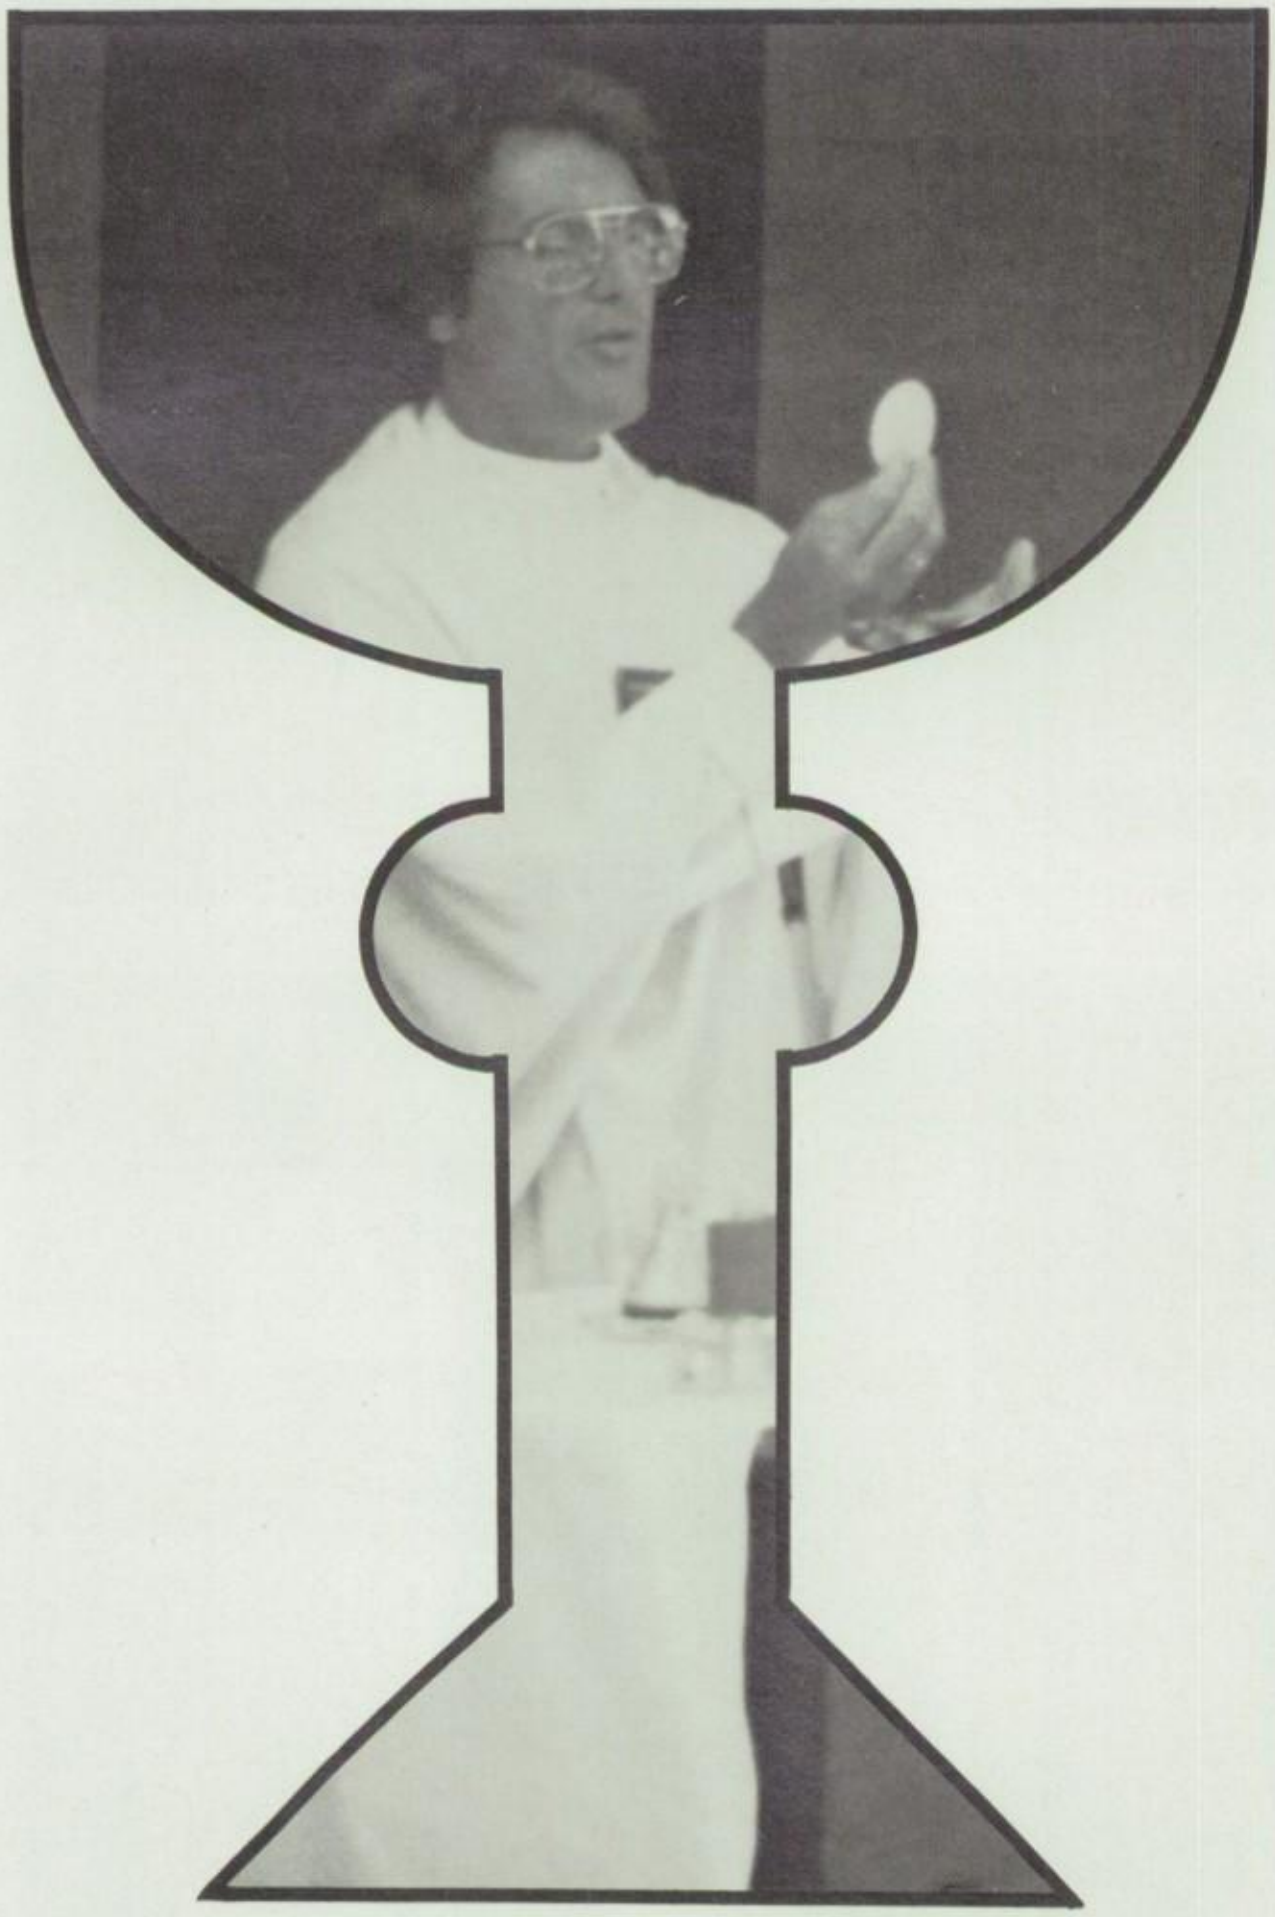
CANDID EVENTS

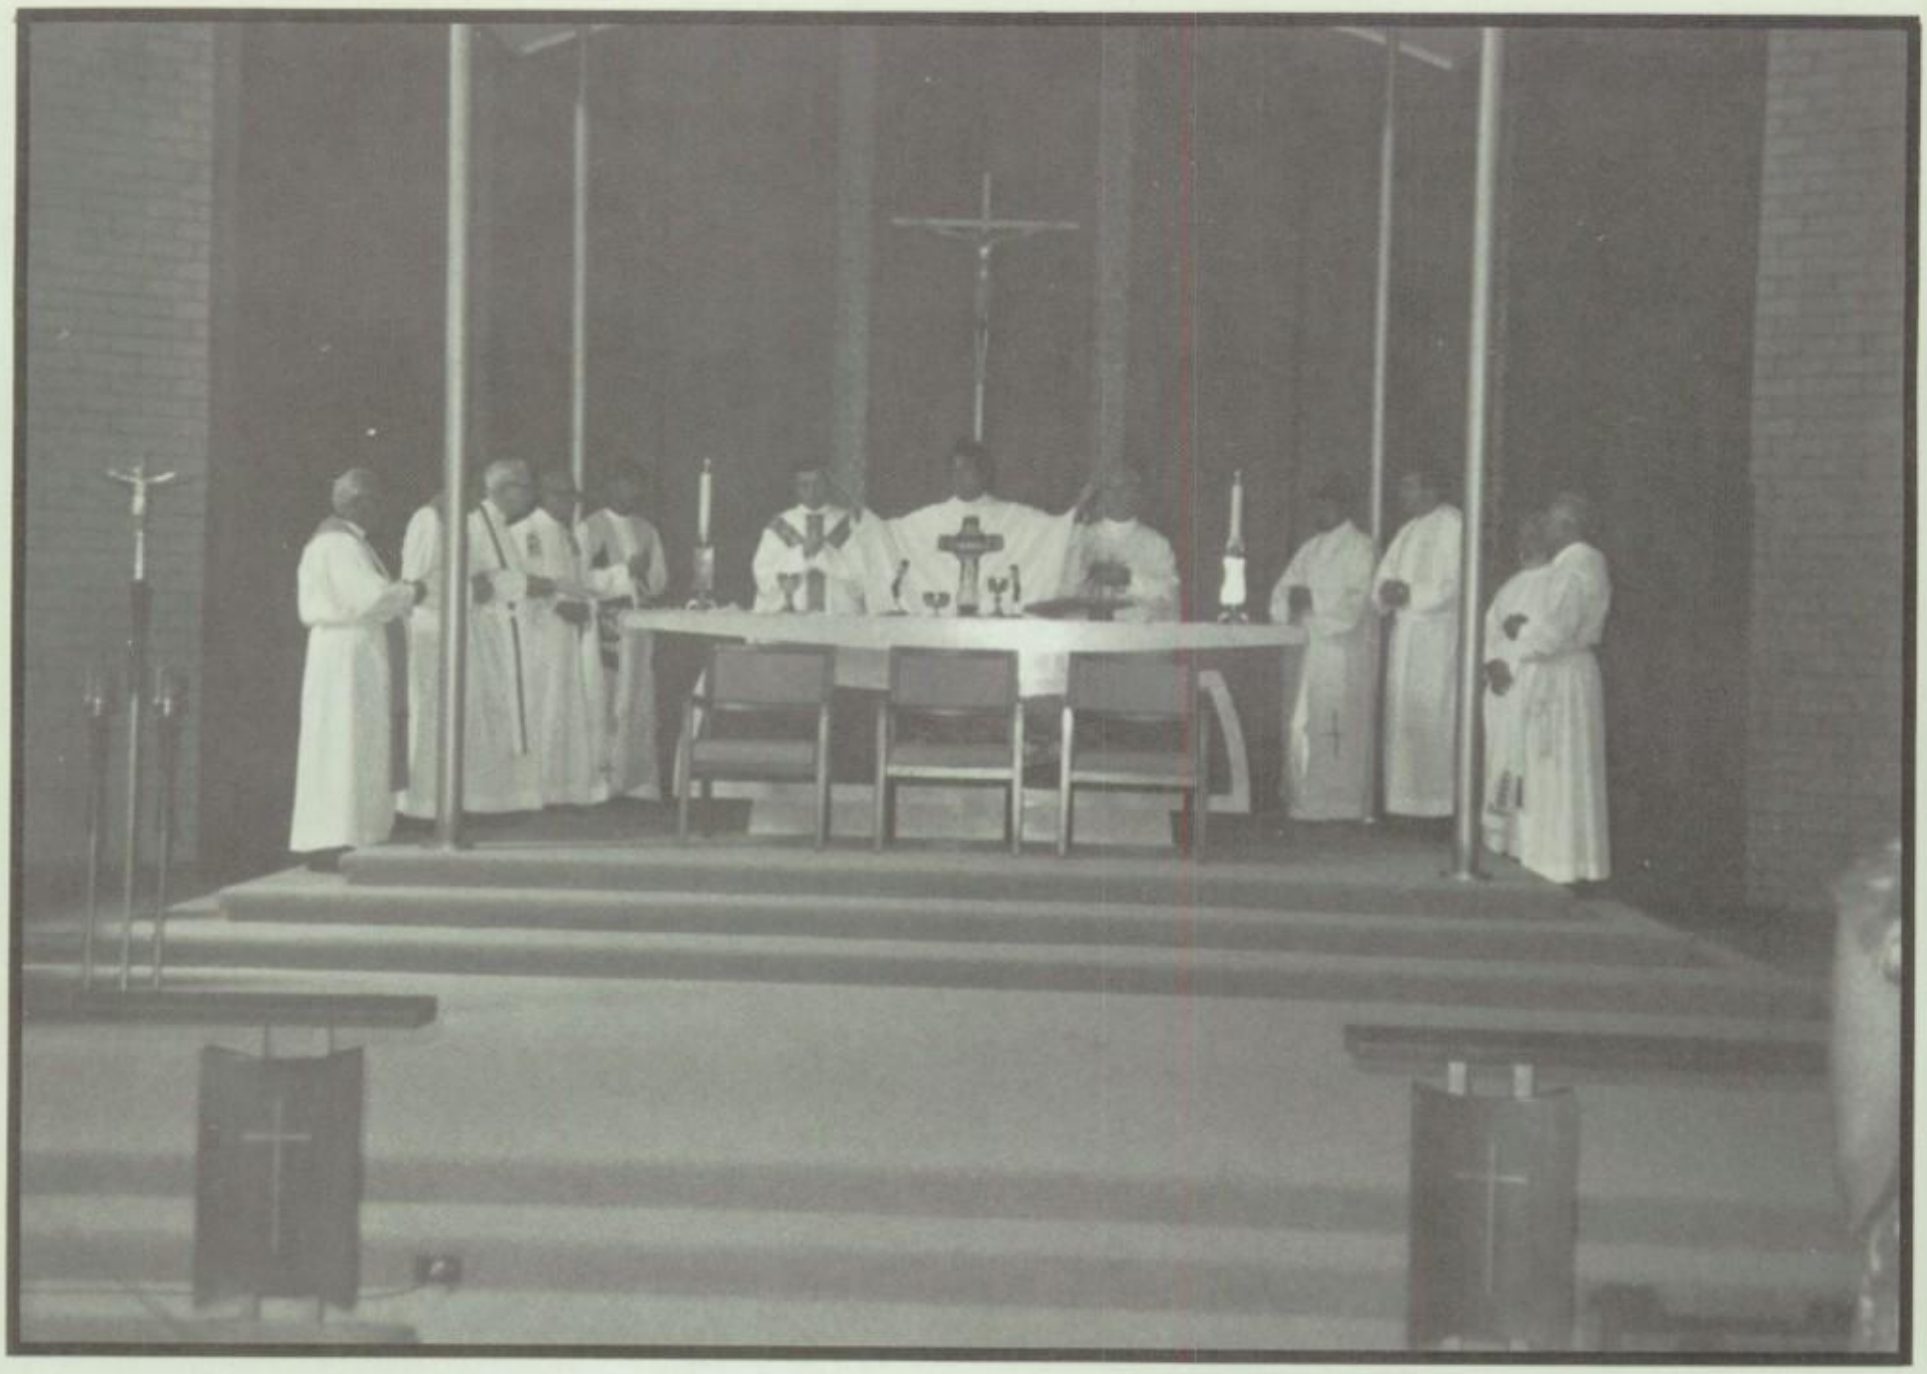


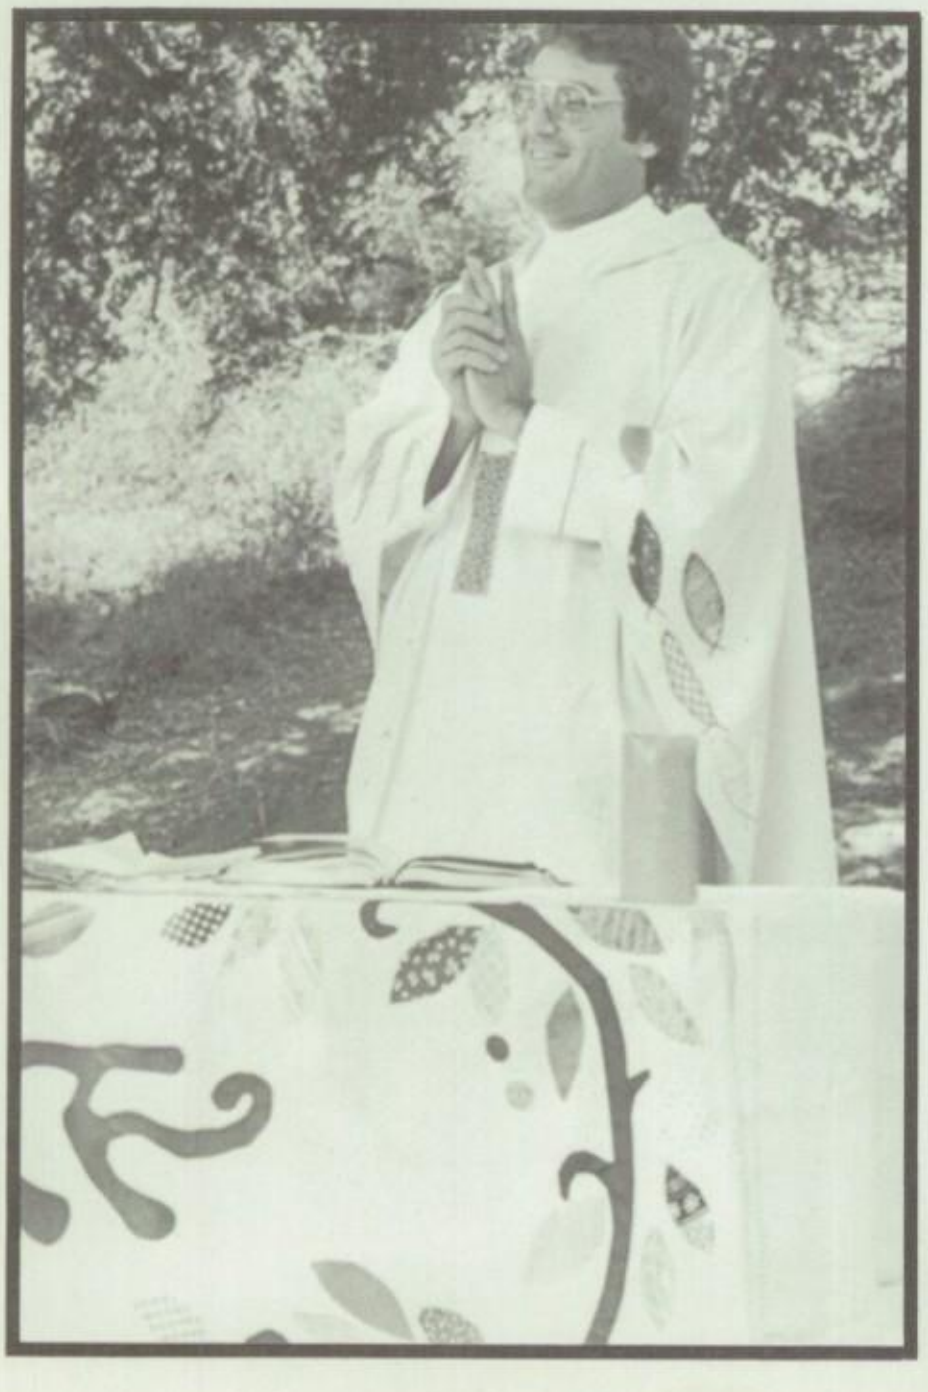


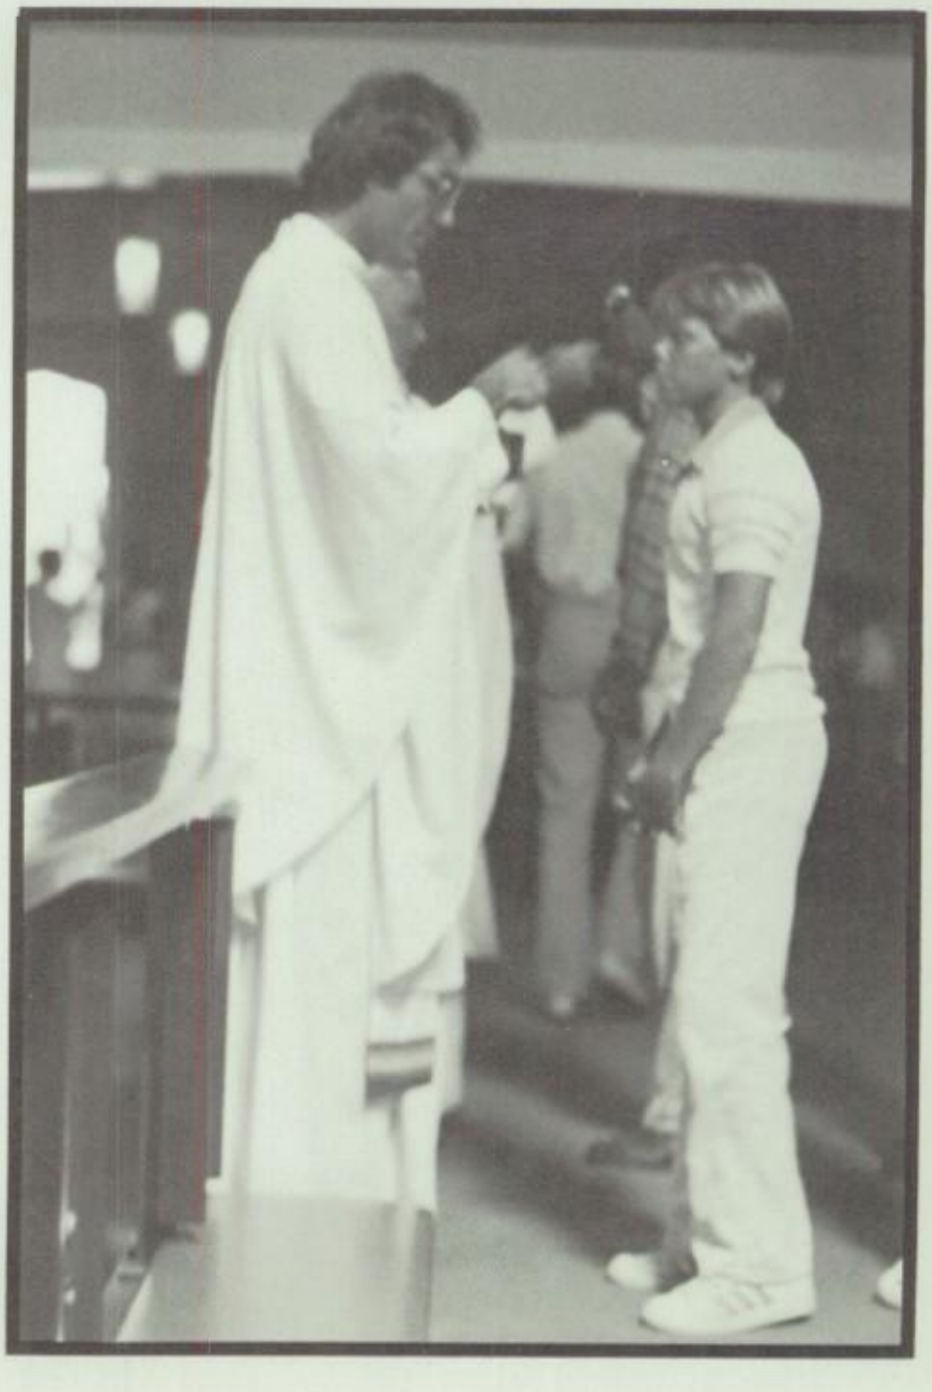
Father Les Esposito has been giving of himself since the beginning of his ministry eleven years ago to his present calling as chaplain of Santa Clara High School. His tremendous admiration for our school is manifested through his work.

He is impressed by the enormous respect that is shown to the religious of our school. He sees C.A.N., Christian Service, Reach Out and the Wednesday Mass all a part of the immence religious spirit that makes Santa Clara special.









Friends

I hope the day will be a lighter highway,
For friends are found on every road.
Can you ever think of any better way
For the lost and weary traveler to go.

Making friends for the world to see,
Let the people know you got what you need.
With a friend at hand you will see the light,
If your friends are there,
Then everything's all right.

It seems to me a crime that we should age,
These fragile times should never slip us by.
A time you never can or shall erase,
As friends together watch their childhood fly.

The National Honor Society, organized by Br. Edward Gresnigt in 1973, is one of the most active clubs at Santa Clara. Its primary purpose is to promote Christian Service and leadership throughout the school and community. Dorsey Mapa, Danny Jones, Deanne Resler, and Robert Varela, as officers, were in charge of organizing activities such as the tutorial program, and other programs that assisted the needy. The NHS is composed of those people who have maintained a GPA of at least 3.0 and have in some way contributed to the well being of our community.

DECEMBER 8

FACULTY

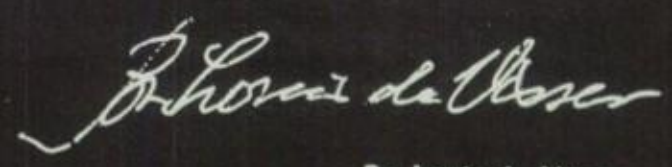
In a sense, school is a world of books, and Santa Clara High School is no exception. There are novels for English, workbooks for various foreign languages, texts for math, lab manuals for science, and on and on. The school year starts with "Book Days" and you wonder where the money goes - and the school year ends and you wonder where the books have gone! Hopefully, the books have been used so much in eager studying that they were devoured in the process but we have to allow for a few lost cases and for those that did not survive non-academic engagements. Some books we sell to underclassmen, after we have added pearls of our own wisdom, some dear personal experiences, here and there a confidential message, and a few sighs of boredom. Other books we keep and, as the years come and go, these friends of the past gain in beauty and in meaning.

I hope that this 1981 Yearbook may become one of your prize possessions in the course of your life. Wandering through these pages, you visit old friends, smile at dear memories, and relive exciting athletic contests. Initiation Day again becomes a colorful unreality. Reach-Out Retreat brings back the feeling of trust and togetherness. Homecoming Floats tell of the many hours of hard work and even more fun. We see teachers in characteristic poses roam through rows and rows of classmates like we used to make the rounds during lunchtime.

Yes, indeed, I hope that this Yearbook may be a good friend to you for a long time to come. However, there is another book that should be even more important and will be even more of a faithful campanion and loyal guide throughout life if you allow it to be so. This book is the Bible. The word "bible" means book and what a good name that is because the Bible is God's word, the final message any book can give. We may desprately pray: "Out of the depths I cry to you, O Lord; Lord, here my voice! Let your ears be attentive to my voice in supplication (Ps. 129.1)" or we may state happily "I will give thanks to you, O lord, with all my heart, for you have heard the words of my mouth (Ps. 137.1)." At other times we can sing "Praise the Lord, O my soul" I will praise the Lord all my life (Ps. 145.2)."

It is my prayer that the whole of the Santa Clara family can say: "Behold, how pleasant, when brethern dwell as one (Ps. 132.1)" and of course we would include both the male and the female members! We are enjoying a good year. There is laughter in the air, joy in the smiles all around. Sure, there are nad there have been gray days, but we are always aware of the basic unity and the sense of pride that make it pleasant to be here. May the Lord keep this joy alive in us during the years to come. The future of Santa Clara looks promising because we have so many good people here. Let us maintain this positive outlook and sincere concern for each other.

May the Lord shower His special blessings on the Seniors who are leaving us but who will always be remembered as students Santa Clara is proud of. You have given much of yourselves to all of us and we do not forget. You were good companions and we have learned from you, as we hope you have learned from all of us, students and faculty alike. The Class of 1981 is alive and well!



Br. Louis de Visser
Principal

In our world we seek for that which gives us satisfaction. St. Augustine once said, "Our hearts are restless, O Lord, until they rest in you." He was a man whose heart needed love and he looked everywhere but in the correct place for that love. He tried to find it in physical love . . . that wasn't enough. He tried to find it in other people . . . that wasn't enough. Finally, he gave up searching the world for love because it occured to him that he sought more than this world could offer . . . he sought eternal, infinite love and only God could give that or be that.

May each of you, when you get to that point in your life where love is the only thing you seek, realize that it is in the person of Jesus Christ that you will find love. May His love sustain and support you until you meet Him face to face.

COACH J.L. SPEAKS

After just two games, first-year S.C. coach, John Lorenzana, found that his Saint Squad, made up mostly of juniors, had emotionally and mentally matured faster than expected. This growth continued throughout the season. The players kept their chins up even after suffering three straight losses near the end of the season.

When asked if there was a problem with the team having its third coach in three years, Coach Lorenzana said, "Actually, it has been more settling to them because they know me from being on campus. It hasn't been an adjustment for me either, since I've been here nine years."

The El Segundo win was very special to Coach Lorenzana because it was his first win as head coach. He reflected on the game, "All during the game I felt like I was all alone in making decisions and worrying. I should have been aware that there were people to help me." More and more, throughout the year Coach Lorenzana found that he had the support of many people.

Coach Lorenzana learned patience his first year as head coach. Seniors Mark Bozzo and "Cowboy" Miguel were out for extended periods of time. Junior stand-outs Dave Kurz, Tony Hart and Sean Wilkins all missed some or most of the key games. Still, Coach Lorenzana made no excuses and prepared his team as best he could with a low-key, but ready, enthusiasm. This enthusiasm made for an excellent football year.

S.C. High In Ratings

Santa Clara's varsity football team was recognized during the season by both Ventura County and the Desert-Mountain Conference for its achievements. The Saints, who were made up of 21 juniors out of a total team of 38 players, were rated #7 (out of 34 teams) in the CIF Desert-Mountain Conference at the beginning of the Saints season. Throughout most of the season, S.C. was rated anywhere between and including 7th and 10th in the *D-M* Conference. The *Press-Courier* Poll, which rated teams in Ventura and Santa Barbara counties (as well as some teams like Westlake, Agoura, etc. who are in L.A. County), had our beloved footballers rated in their TOP 10 (S.C. was as high as #5) for most of the season. It had been awhile since S.C. varsity football had been regarded so highly as in 1980.

Saints Faced Tough Foes

The 1980 edition of the S.C. varsity football team had a very good season, especially considering the tough schedule they had. The Penguin-Saints lost to the *Press-Courier* Poll's #5 team (in last regular season poll), Rio Mesa, by ony 6-0. S.C. was defeated by Agoura (#9 in final regular season *Press-Courier* Poll), and the Saints defeated the *Press-Courier's* #10 team, Bishop Diego, 20-6. In addition to those teams, S.C. lost to the eventual #2 Desert-Mountain Conference team, Atascadero, by only a 12-3 score. The Saints defeated 2 eventual CIF Play-off teams (Bishop Diego, St. Bonaventure) and were defeated by 4 eventual CIF Play-off teams (Atascadero, Carpinteria, Agoura, Rio Mesa). The Penguin-Saints varsity footballers definitely held their own in the 1980 season.

SC: NO ORDINARY TEAM

Game 1 Sept. 12. Fri., 1980, 8:00 p.m. at El Segundo (alma mater of George Brett)

What an opening! In Coach Lorenzana's first win as varsity head football coach, the Santa Clara Saints defeated El Segundo H.S., 10-0. The Penguin-Saints used physical defensive measures, as well as junior Fullback Tony "Franco" Petrucci's hard running to batter the Eagles into submission. Earlier in the week, Coach Lorenzana had worried about his pass defense. However, the pass defense was a Saint strong point. S.C. intercepted 5 passes, included 2 each by junior DB Tony Hart and senior DB Louis Ybarra. George Brett would not be proud of his alma mater!

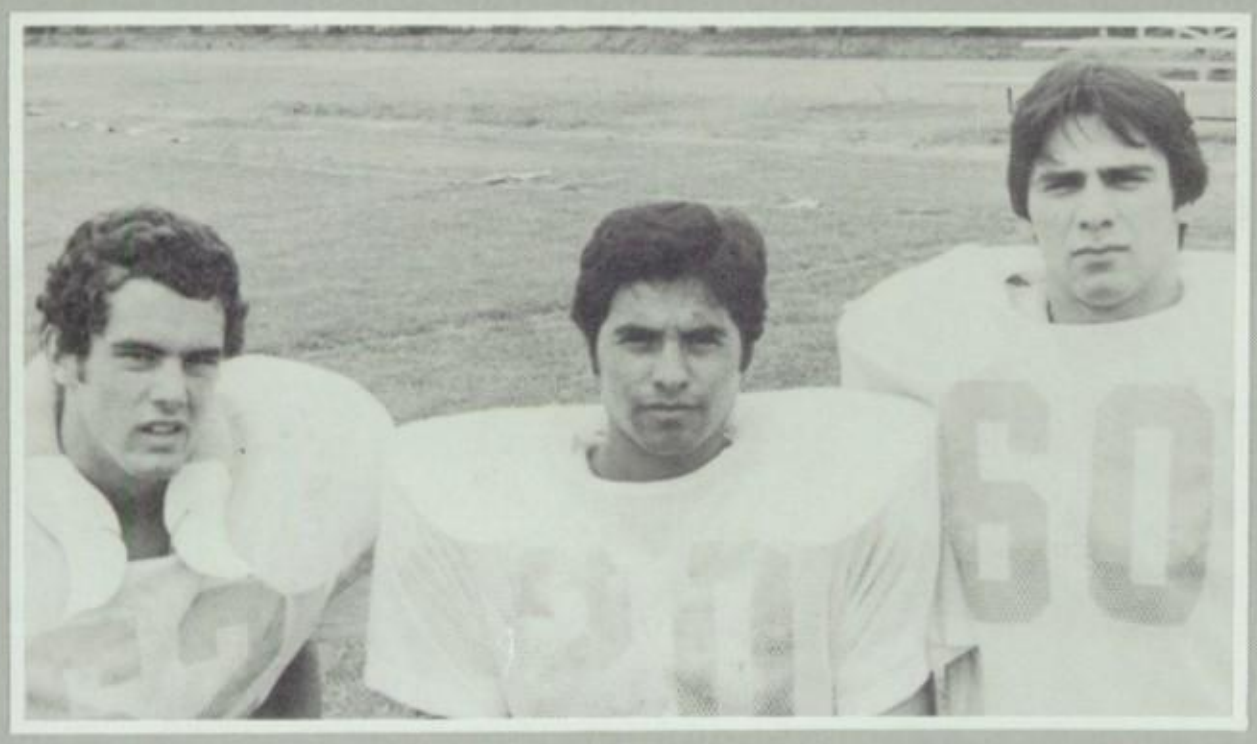
S.C. ready to maim in "Fog Bowl"

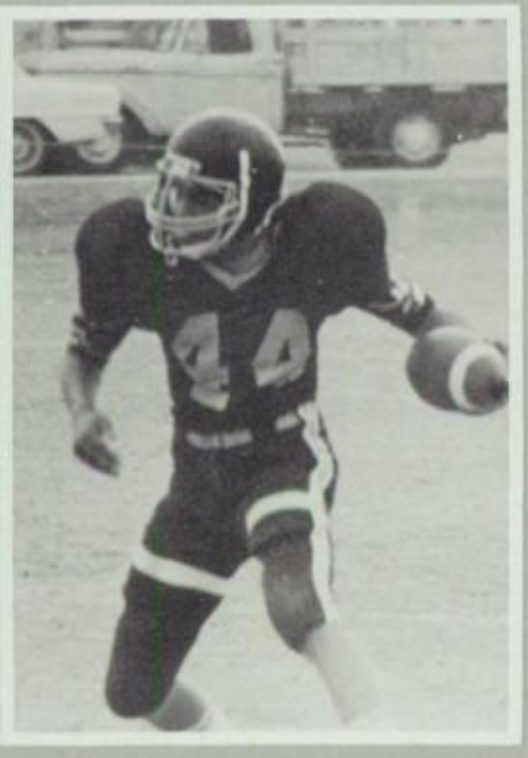
Game 4 — Thurs., Oct. 2, 1980 — Bishop Diego at S.C. The Penguin-Saints, #9 in both the Desert Mountain Conference and the *Press-Courier* polls before the game, beat B.D.H.S. of Santa Barbara in a foggy atmosphere.

The Cardinals, who would go on to the 1980 C.I.F. Playoffs, were victimized by the hard running of "Rock" Loera and the key plays of the S.C. defense. Loera, who won the *Press-Courier* Player of the Week Award for this game, scored two touchdowns and ran for 156 yards (5.8 yards per carry). The Saint offensive line, which had a great game, opened holes for the S.C. running attack's best game of the season. The Penguin-Saints ran for 226 yards for a 5.4 yards per carry average.

S.C.'s defense made the key plays. Senior Defensive Back, Louis Ybarra, helped to save the game with an interception at 4:15 left when Bishop Diego was trying to come back. Junior DB Tony Hart also had an excellent game. He had a 35-yard kickoff return after the Cardinals only TD in the fourth quarter along with his good defensive play throughout the game. Sean Wilkins, the junior offensive/defensive lineman, did a vicious hitting job for his first game back after a hand injury. S.C., with "The Rock" and "Big D", had a great game.

VARSITY FOOTBALL: THE END





Game 5 - Saturday, Oct. 11, 1980 - Atascadero at S.C.
S.C. was defeated by the Greyhounds, 12-3, but the important thing here was the great effort put forth by the Saints against the #2 team (both at game time and at the end of the CIF Play-offs) in the 34-team conference.

The Penguin-Saint defense, which came into the game holding its opponents to only about 6 points a game, did a masterful job. Atascadero's offense managed only one big offensive drive in the game, which ended up in a TD in the 4th quarter. The other TD was a long kickoff return on the very first play of the game by junior Running Back Carlos Adams. S.C. could have folded after that play, but they did not.

Adams came into the game averaging 2 touchdowns a game and 9.2 yards per carry. As it was, S.C.'s "Big D" held him to much under 100 yards, which was far below his per-game average.

The Greyhounds might not have scored at all, if it hadn't been for 2 key S.C. injuries. Junior D B Tony Hart was hurt on that opening kickoff, and junior D B Jim Tougas was also hurt. Therefore, senior Penguin-Saint QB Tim Lawrence had to play defense. This might have tired him out as the game went on, so it took a big weapon away from S.C.'s offense. Oh well, what might have been! Still, it was a great Saint effort.

"How sweet it is!"

This young basketball lad can fully attest to that. Ten points if you readers can guess who this guy is (BAH, HAH)! He's actually quite correct in his statement. S.C. sports is a very sweet thing, indeed. Coach Lou Cvijanovich has set up an athletic department of activity, pride, and success. The school year 1980-1981 has brought insurmountable joy to all athletes and fans of S.C., young and old!

THRILL OF VICTORY

First Year Varsity Volleyball Mentor tolerates inquiry by insane Devo R. O. W. D. Y.

Mrs. Tari Wilcox's first year as S. C. varsity volleyball coach was a great example of growth and togetherness. She retells the situation at the beginning of the pre-league season. "As everyone could see, we were very young, and we had many weaknesses. The Buena and Royal games showed the lack of team coordination." However, at the start of the season, Coach Wilcox stopped one problem before it ever started. Coach Wilcox elaborated, "Last year there was a lot of bickering. There were incidents of people getting kicked off, coming back and being off again. I knew this couldn't continue. So I told the girls that, if for any reason one of them were to be kicked off the team, they would have to stay off. I couldn't let team unity be disrupted by one or two persons." This was the first sign that S. C. had an especially good coach.

Coach Wilcox and her girls took the responsibility to keep the team together. They improved remarkably, especially in three areas: blocking, passing, and creating as well as keeping momentum. Coach Wilcox improved the blocking by raising the net for practices so that for game situations the Penguin-Saints felt like they could out jump Marques Johnson.

Coach Wilcox and the team would like to thank Ms. Sanders for her assistance during practices.

S. C.'s great mental attitude and the teamwork brought the Penguin-Saints to a C. I. F. 1A semi-final finish and the #3 ranking (out of 72 teams) in the final C. I. F. 1A poll. Coach Wilcox not only proved to be a great coach, but also a great interview.

"Oh Very Young"

Oh very young
What will you leave us this time?
There'll never be a better chance
To change your mind
And if you want this world
to see (a better day)
Will you carry
The words of love with you
will you ride
The great white bird into heaven.

The 1980-81 soccer team is an interesting one. This young team, in only it's third year, has already set up a reputation demanding respect from some of the best teams in the area.

Soccer is a game that combines endurance and sheer strength with finesse and speed. This interesting combination, has made soccer the most popular sport in the world, and quickly one of the most popular in the United States.

For the first three months of this school year, 17 young men, along with their dedicated coach, Br. Vincent, could be seen, 5 days a week, 2 hours a day, running, working, striving for one thing, to win. One goal was in their sights, to be league champions. The race for the championship has not yet been settled, but the Saints will surely fight to the final whistle of the last game. One race that has been settled is the race for the will to win. That race was won when the Saints first set foot upon the practice field in early September to begin training. The Saints have, are, and always will, fight to be number one. Because Santa Clara will settle for nothing less than the best.

OUR CHAMPS GAIN RECOGNITION

The Oxnard area became very cognizant of Santa Clara's basketball squad last year because of its 1-A title. So, it was no surprise when a major newspaper decided to put S.C. on the cover of one of its supplements. That supplement was the *Press Courier* Magazine, which comes out with a "Basketball Preview" issue every season. The front of that issue was an overhead view of Coach C. Ned "Kiki" Laubacher, Roger "Silk" Bock, Ted "E. Bear" Quiroz, and "Matthewewew" Colbern, staring viciously at the camera. The *Press Courier* definitely knows who the kings of the basketball area are.

Orange County also noticed our beloved Saints. First of all, the *L.A. Times* mentioned S.C. in its preview of the Christmas basketball tournaments. In the Organge Optimist Tournament, the Penguin-Saints finished 5th in a 15-team field. That placing was excellent because the participating teams were all 4-A teams, except for one 3-A squad and, of course, 1-A Santa Clara. Matt Colbern gained mention on the All-Tournament team. The Saints deserved all of that attention.

SAINTS FACED TOUGH COMPETITION

As usual, the S.C. Saints hoop squad played a demanding schedule. The *L.A. Times* mentioned that S.C. liked to "play up" as far as scheduling goes. That refers to the fact that the Saints played 7 4-A teams and 1 3-A team during the preleague season. S.C. was 6-2 against those teams. One of the losses came against the #1 *L.A. Times* Poll team and the #1 4-A team, San Marcos. The other came against 7th-ranked (in 4-A) Fountain Valley. Both of those rankings were the final regular season ones. The *L.A. Times* Poll encompasses *all* of the C I F Southern Section.

Our beloved Saints also played the 1-A (final regular season) #4 team, Carpinteria, and Rio Mesa, the 1-A 11th-ranked team. S.C. defeated both of them by large margins and was defeated narrowly by both. *Coach C's, troppers came out of this tough schedule with a 18-4 regular season record and with a # 1 regular-season-long 1-A ranking!*

At presstime, no one was sure if the Saints would win CIF, but then again, you know our Saints . . .

Championship teams at any level have one thing in common: they all keep their poise during pressure points of ball games. The Saints showed in this game that they are one of those championship teams. After San Marino closed to within 2 points midway through the fourth quarter, S.C.'s clamp-down defense and clutch shooting put the Titans away. S.C. outscored the Titans, 16-2 in the final 4 minutes of the game. This game, played at Bell Gardens H.S., was also won by Saint balanced scoring. Quiroz and "La Mosca" Thomas both added 11 points to Colbern's 17 and Bock's 15. Colbern and Bock played splendidly, especially considering the fact that they both had 3 fouls by halftime. Their play under pressure was just another example of Saint poise.

"Giving your best effort" is a cliché that is thrown around often in sports.

Still, individuals and teams find it difficult to actually give 100%. During the CIF playoffs, S.C. was one of the few teams that *really* gave its best effort.

Pressure defense exemplified the hard work put out by the Saints. In this game the champs, with "Silk" Bock and "Bomber" Torres leading the way, controlled W.C.'s usual rebounding power. Also, Teddy Quiroz and "La Mosca" Thomas stopped the vaunted Herald fast break.

Again, "Mathewewew" Colbern and "Silk" Bock led the Saint championship charge. Colbern scored 23 points and had 4 assists to gain a spot on the CIF Sports Arena All-Tournament Team. Bock tallied 18 points, grabbed 9 rebounds, and hustled all over the court. Surprisingly, he wasn't included on the All-Tourney Team.

S.C.'s second straight 1-A title gave Coach C the CIF all-time record for the most basketball championships. On the Monday after the game, Coach Lou celebrated his 7th hoop title by having his head shaven. The 1980-81 hoop season: Wonderful coach, boffo players, superb effort, another title!!

NEPTUNE SQUAD

The Santa Clara swim team, under the guidance of the queenly Mrs. Wilcox, was loaded with talent and potential. The squad was headed by senior fish-women: Doll, Theresa, Denise, Kelly, Jean, Shelly, Ann, Cindy, Teresa, and Sharon. This year's team has not disappointed us. Joan Mary Laubacher is the pride of the team after having achieved C I F recognition three years in a row. Furthermore, our relay team consisting of Jill Naboa, Joan Mary Laubacher, Shelly Carmack, and Jean Weidmann is also a winner.

What our team lacked in team victories, we more than made up for in spirit and enthusiasm. Part of the credit belongs to our boys' swim club which has accompanied us whenever possible.

Swimming is the one sport at Santa Clara that allows the individual to achieve a sense of satisfaction due to personal triumph. On the other hand, the team aspect is emphasized in the support of the team as a whole.

Being a member of the S.C.H.S. Pep Squad is an honor full of pride, and a privilege full of Spirit. It requires hours of hard work and creativity. There are many difficult jobs that go along with the main one of promoting Spirit. Just a few are crowd control and trying to please everyone. The enthusiasm of this years pep squad is catching and a lot of people have caught the Saint fever. These girls have given their best, above and beyond the call of duty, in supporting and wearing the outstanding colors of blue and gold.

I have no face
Yet I'm in my place
Although I know not why
I know some day I'll fly
I'll bide my time 'till it's my turn
And meanwhile I will grow and learn
And when it comes I'll be ready to show
Others like me how they too can grow
I'll have to wait 'till it's my turn
I'll bide my time until I learn
Even though I don't know why
Some day I know I'll fly
I'll be in my place
I'll have a face.

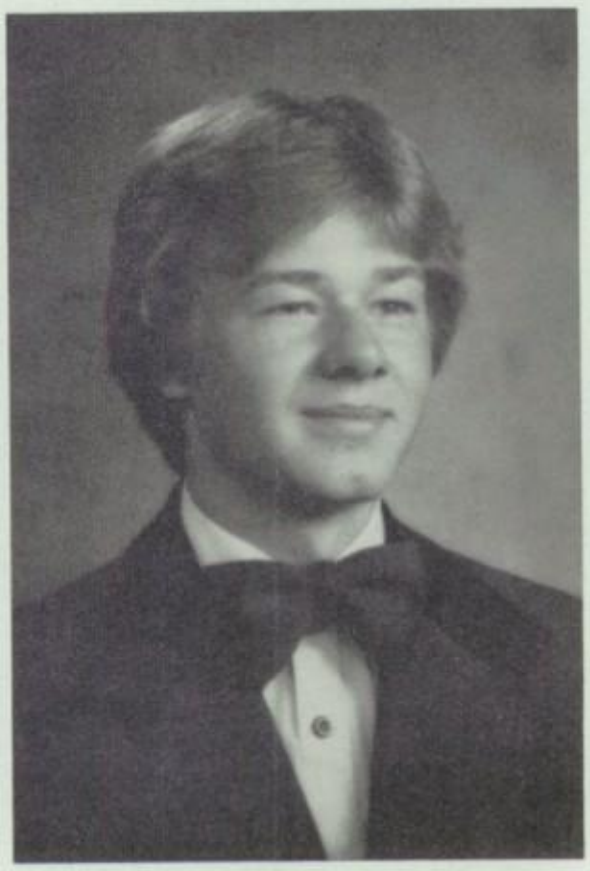
OUR FRIEND FROM THE NETHERLANDS



My name is Marcel Vlaandere and I come from Bolsward, in the northern part of the Netherlands. The province, state, that I live in is called Friesland. Friesland is famous for its fine dairy cattle and dairy products.

Appelmarkt 11 is the address of my parents home which is located over my father's shoe store. I live there with my father, Piet, my mother, Annie, my brother, Peter, our two cocker spaniels, a cat and a large fish aquarium.

I am very interested in sports: judo, ping-pong, dirt bike racing and soccer. At home, I play my drums daily.

Education in the United States is very different from the schools in the Netherlands. Santa Clara is closer in size and serious study to the M.A.V.O., or school I attended

I am really enjoying my visit to America for a year and will be happy to return to the Netherlands. America has many nice sights to see but I miss the province I come from because of its open fields and closeness to nature.

Captured here by the truthful and omniscient eye of the camera are the staffers who have produced for their fellow Saints a new look for the 1981 "Onward". The energy, creativity and talent of this diverse group of "young rebels" is reflected on nearly every page. Suffering under the ominous click of the clock marking the passage of

BE ALL YOU CAN BE

In the modern Army, the Cavalry flies, the Infantry rides, and the Artillery can hit a fly in the eye 15 miles away.

It's a printed-circuit, solid-state, computerized Army. And this special kind of Army requires a special kind of soldier. The kind of young man or woman who's eager to learn tomorrow's technology, tomorrow's skills. The kind of young man and woman impatient for a challenge and hungry for responsibility.

Today's Army is a unique opportunity. To discover hidden talents, to develop special abilities, and to equip yourself with the skills you need.

WORKING FOR THE CLAMPDOWN

We will teach our twisted speech
To the young believers,
We will train our blue-eyed men
To be young believers.

No man born with a living soul
Can be working for the clampdown.
Kick over the wall 'cause
goverment's to fall.
How can you refuse it?
Let fury have the hour, anger can be
power.
D' you know that you can use it?

You don't owe nothing so boy get
running.
It's the best years of your life they
want to steal.

You grow up and you calm down.
You're working for the clampdown.
You start wearing blue and brow
You're working for the King
So you got someone to
It makes you feel bi
